

Khayal Khudiyev

FRONTEND DEVELOPER

I have been engaged in programming for over 3 years, including 1 year of work and 8 months of freelancing. I have mastered SOLID, OOP principles, and clean code standards. My main expertise lies in Frontend development, but I have also created backend APIs using Node.js. I have extensive experience with React ecosystem. My projects are SEO-friendly and adhere to Responsive design standards. I am fluent in Azerbaijani and have a working knowledge of English for handling technical documents.
